THE PERFECT RETREAT

Our Artist Studio is the perfect venue for inspiring corporate getaways, kick-offs, board meetings, wellness retreats, and private events. This flexible and secluded space can be fully adapted to suit your needs—whether you're planning a strategic workshop, a relaxing escape, or a celebration. A wide range of services can be arranged to enhance the experience, including curated meals, private chef, team-building activities such as guided nature walks, clay pigeon shooting, and boat trips. Whatever the occasion, the Artist Studio offers a unique blend of focus, creativity, and tranquility in the heart of nature.

SERVICES

Secluded yet easily accessible, Landet boasts a private swimming bay and an extensive stretch of untouched coastline to explore. Sauna, yoga area as well as kayaks and paddleboards are available for free. Guests can enjoy a range of services, including fishing, boat trips, wellness treatments, food delivery, and guided nature walks.

LOCATION

We're located just 15 minutes from the picturesque town of Trosa—often described as one of Sweden's most beautiful towns and hailed by the Financial Times as "Sweden's Sag Harbor." From nature to culture, the area offers some of the richest experiences in the country. Distances: 60 minutes to Stockholm, 90 minutes to Arlanda Airport.

OUR CABINS

With open views of the forest and sea, our eco-friendly cabins appear to float above the landscape, leaving the natural surroundings undisturbed. They offer a serene retreat—where the changing seasons unfold like a living painting through floor-to-ceiling windows.

Designed by acclaimed Swedish architect Andreas Martin-Löf and London-based designer Tobias Vernon of 8 Holland Street. Each cabin is around 40m² (50m² for 2-bedroom) and features a living room with fireplace, dining area, full kitchen, king-sized bedroom, bathroom with walk-in rain shower, and two private outdoor terraces.
